Cameron Anderson

Thursday, February 1st, 2018

Waterloo United would like to congratulate Cameron Anderson of our U18A Boys team who has accepted a one-year trial with Club IK Frej in the Swedish Superettan League! Cam was able to showcase his talent through the Länk [Experience](#) management group that supports players to gain access to an international soccer experience. Cam played for Länk in a tournament in July 2017 in Brøndby, Denmark. Cam will leave on February 16th where he will live on his own while embracing the Swedish culture and the "Beautiful Game" on a larger, more professional stage.

Cameron, 17, has been heavily involved in the game since a very young age and has been with The Waterloo Minor Soccer Club for about 11 years. Cam first started his soccer career as a WMSC recreational player, then later moving up through the competitive ranks. Cam first found his love for the beautiful game at a very young age due to his fathers' influence. Jim Anderson continues to be a coach within the club and has done so for the past 11 years. When Cam was asked about what he was looking forward to most while being on a trial in Sweden, Cam went on to say "I am ready to compete on all levels while being on the field almost seven days a week, it's in my blood"

When asked for a comment about Cam, Coach Tim Bergelt and Dan Cimermancic had the following to say: "When the U18A Boys team needed to add a player to our roster from the U18B team, we invited several players to join our training sessions for evaluation. Ultimately we selected Cameron to join our team as we determined he was in the top echelon of players on his team, despite being a year younger than most and overall represented the best choice among his peers. Cameron has good technical skills, a very positive attitude with a strong desire to learn, and a competitive nature that made our choice to select him an easy one. He is working hard to adjust to the speed of play at the OYSL level and has earned the respect of teammates and coaches alike. He is an eager and willing player and is growing nicely into his role on our team. We are happy to have Cameron with us and are excited for him at the opportunity he has with IK Frej. We know he will work hard to make the most of it."

Good luck in Sweden Cameron!
