Do we need to get the whole package?

-It is highly recommended and better value for your dollar to purchase the entire package (\$279.40). Items can be purchased separately, although, purchasing the whole package is a better deal. Minimum purchase that must be made is the home kit (shirt, shorts socks) away kit (shirt, socks, shorts) and training kit (shirt, socks and shorts). The price for the minimum purchase will be similar to the entire package.

Can we opt out of any items?

-Within the package you can't opt out of any items.

Why is it not part of the registration fee as it has been every year?

-This is due to the fact that the parents purchase their items directly from INARIA and their purchase gets shipped directly to their home address.
