Waterloo United U14 WRSL Girls Match Report

May 31st, 2019
Bryce Kuepfer

Location: RIM Park AF2
Date: May 27th, 2019
Opponent: Kitchener Spirit

The Waterloo United U14 WRSL Girls faced off against the U14 Kitchener Spirit girls in a local rivalry match this past Monday night. The game was expected to be a battle as both teams were sitting high in the standing at this stage of the season. After plenty of back and forth action, Waterloo United trailed at half time. The girls came out strong in the second half and managed to cut the deficit in half, making the score 2-1 for Kitchener. Kitchener later notched their third and final goal to cap off a tough loss for our United Girls.

Although it was not the teams desired outcome, The game did come with positives for the U14 Girls. Kali May, #50, scored the lone goal for Waterloo United by splitting the Kitchener center-backs with some great footwork that set her up to slot the ball past a charging keeper for a sensational goal! This was May's fourth goal of the season and has now scored in every match of the 2019 season! The coaches and players took positives away from their performance and look forward to their next meeting Kitchener!

Player Profile: Isabella St. Louis #53

Isabella St. Louis is in Grade eight at St. John's-Kilmarnock School in Breslau. Isabella is a defender who had an excellent game on Monday night, receiving high praise from her coaches and teammates! Isabella is, admittedly, not a huge professional soccer fan but has had the opportunity to attend multiple Vancouver Whitecaps games during her time living in BC. Isabella

even had an amazing opportunity to watch the Women's National Team represent Canada while hosting the 2015 FIFA Women's World Cup. Isabella is very excited to watch Team Canada once again compete on the world's biggest stage while taking part in the 2019 Women's FIFA World Cup in France. Isabella continued stating that "the games mean more with our Women playing".

Speaking of honours in soccer, Isabella has picked up a few herself. With most recently having the chance to compete in a Sr. Girls High School soccer tournament while being underage. Extremely impressive for a Grade eight student who was able to contribute for the team that saw them finish second! From all of us at WMSC, we wish her and her teammates all the best as they continue their season representing the club at with The Waterloo United U14 Girls SWDSL division.
