## Player Profile: Andrew Zettler

*Bryce Kuepfer | June 20, 2019, | RIM Park AF2*

Andrew Zettler plays for Waterloo United's U13 SWDSL team. Andrew plays the uncommon combo of goalkeeper and striker. Andrew put in a commendable performance in a tough 5-2 loss for Waterloo United, where they went head to head with Cambridge United last Wednesday night, June 12th, at RIM Park. Enjoying a successful season, with 3 goals so far, Andrews coaches were quick to recommend him for our player profile stating that he is a natural in front of the camera!

Andrew attends St. Teresa in Elmira and is a proud multi-sport athlete. Like soccer, Andrew really enjoys hockey and plays for Woolwich in the Winter. As for his participation in soccer, Andrew's favorite memory is a (self-proclaimed) "30 to 40 save game" with only one goal conceded. All though no fans were able to confirm the remarkable game it sure sounds like one to remember!

From all of us at Waterloo United, we would like to wish Andrew, and the rest of his teammates a great rest of their season!
