COVID-19 Announcement

Valued Club Members,

The health and safety of our participants is of the utmost importance as the club manages through the COVID-19 situation.

After careful consideration and following the lead of local school boards, professional sports programs (MLS, NBA), and guidance from local, national and international health agencies, *Waterloo Minor Soccer Club (WMSC)* has made the decision to suspend all games, practices and team events effective Thursday, March 12th, for a period of three weeks. This suspension of all club soccer programming and training until April 4th is intended to protect the health of children and families of Waterloo United. WMSC will continue to monitor the COVID-19 pandemic situation and wait for additional direction from Public Health when considering our next steps.

We would ask that you continue to follow program updates by visiting the [Club's website](#). We thank you for your understanding and patience during this time.

Thank you,

Paul Burns
Executive Director
