## 2020 Outdoor Recreational Program: COVID-19 Update

April 16th, 2020

---

As the situation with COVID-19 is continuously evolving, it is too soon to assess the full impact on the summer season for our Outdoor Recreational Program. WMSC Staff are working diligently to create various scenarios that will provide our members with options to enjoy the sport of soccer again as soon as possible. The WMSC is currently anticipating an early July season launch. These dates are tentative, pending approval to return to play from our governing bodies, municipality, and provincial government.

**We are now offering a Register Now – Pay later option. With this deferred payment option, you may register up to and including June 1st, 2020.** This deferred registration fee of \$0.00 will hold a spot for your son and or daughter in our summer soccer program. When the all-clear is given by health experts and the physical distancing restrictions are removed, and people are back to work within normal environments, we will collect the registration fee from you. Please choose the “*Office Payment*” feature once you have completed your registration to take advance of this option.

We understand that this period of isolation is very difficult for everyone, and despite our offices being closed, WMSC is still here for our members. Please visit us on our website and on our social media pages for activities, information, games and more. If you have any questions, please feel free to contact [admin@waterloounited.com](mailto:admin@waterloounited.com). You will receive a response within 24 hours.

Thank you again for your continued support of the Waterloo Minor Soccer Club, and your understanding and patience during this uncertain time.

We are confident that we will get through this together and we look forward to seeing you all on the field again soon!

---

Waterloo Minor Soccer Club has been serving the community of Waterloo for 45 years. The club’s mission is to mentor youth as they engage in an active lifestyle, learn life skills and values while they pursue their goals.
