What does this mean for The Waterloo Minor Soccer Club? This means that we are getting closer to the possibility of playing soccer in the summer of 2020. For all the latest information and detailed steps needed to take place prior to taking the fields, please [click here](#).

The following steps must take place in order to get onto the fields:

- Ontario Soccer to release their 'Return To Train' protocols for all clubs
- Approval from the City of Waterloo for the use of the fields
- Waterloo Minor Soccer Club will communicate detailed return to training plans to our membership for restarting soccer activities this summer (Next 7-10 Days)

Although dates have not been determined yet, the Club intends to communicate additional information within the next 7-10 days.

The Club would like to thank all of its members for their patience during this time and we are hopeful that we will be on the field as soon as possible.

Waterloo Minor Soccer Club has been serving the community of Waterloo for 45 years. The club's mission is to mentor youth as they engage in an active lifestyle, learn life skills and values while they pursue their goals.
