Food4Kids

Waterloo Minor Soccer Club is proud to announce today that we are expanding our team with the addition of Food4Kids Waterloo Region as a community partner. They will assist in our ability to be a good community partner by helping create awareness of children living with chronic hunger within our community. Their vast experience of working with local families and schools will help us create an impact in a young person's life and on the 'Beautiful Game' in the region. We are very thrilled and excited about this new partnership and opportunity to showcase all the great services Waterloo United and Food4Kids Waterloo Region.

"It is important to Waterloo United that we continue to be a leader in the Waterloo community and support other local youth focused organizations. We are very proud and happy to partner with Food 4 Kids because of the important work that they do." Paul Burns, Executive Director, Waterloo United.

"We are grateful that the Waterloo Minor Soccer Club recognizes the important role that they can play in creating awareness of severe childhood food insecurity within Waterloo Region. More than 2500 children across Waterloo Region live with the uncertainty of where their next meal will come from. By educating and engaging soccer families and children, they have the opportunity to make a huge difference in feeding the hope of children.

Food4Kids Waterloo Region provides access to a supply of healthy foods for children living with chronic hunger on weekends during the school year, and daily during the 84 days of school breaks.
