President's Report – 2020 Annual General Meeting

WMSC Members,

This has been a year that no one will forget. As president and part of the BOD at Waterloo Minor Soccer Club, we had to navigate through unprecedented times. Since the pandemic started we as a club were members first focused. In March we did our best to figure out how to keep everyone informed and our staff did a great job. As the pandemic dragged on we had weekly reports and sometimes things changed in 24 hours which made for immediate decisions to be made. All decisions were made with the best interest of the players in mind.

In the end we were focused on keeping our Club financially responsible, and also trying to get players back in the pitch as quickly and safely as possible. I hope next year we can see a somewhat normal season!

The board of directors continues to meet on a monthly basis and we will always make decisions that benefit the player first. We will continue to work with the staff and general membership in order to ensure the Club is financially stable while providing excellent programming.

We look forward to 2021 in hopes that the new year will bring opportunities to get back to what we all love, Soccer!

Best regards,

Chris Frengos
President
