

Waterloo Minor Soccer Club  
**WMSC COVID-19 Update**

February 18th, 2021

---

First off, WMSC would like to thank everyone for their continued support & participation during these unprecedented times. The Club continues to monitor the ongoing news & information in regards to COVID-19 & how it affects soccer. We are also in constant communication with the City of Waterloo & Ontario Soccer to make sure we are up to date with our procedures. The utmost importance during this is the safety of the players, coaches & all involved.

The Club would like to share some friendly reminders in regards to the procedures & protocols for the use of the indoor fields at RIM & Bechtel:

1. Spectators are not permitted on the indoor field at RIM Park or Bechtel Park
  2. As per the City of Waterloo, parents are not permitted to view sessions from the hallways
  3. Attendance will be taken at the field by skills instructors or coaches for contact tracing purposes
  4. **All players & team officials** must complete the COVID-19 checklist within TeamSnap prior to entering either facility
  5. Players & team officials will be required to sanitize their **hands** prior to entering & leaving the field. The sanitizer will be available at each field
  6. Masks must be worn to enter RIM Park & Bechtel Park, & in any common areas. During the program, players are strongly encouraged to wear their face masks. At this time, it is not mandatory to wear a face mask during training. If your child will be removing their mask during training, the advice provided by medical practitioners is to ensure it is kept in a zip-locked bag or small Tupperware container where it can be sealed. If this is decided for your player as an option, please have them bring one of the above with them to put their mask into whilst on the field
  7. Only one person at a time is permitted in the washrooms, & change rooms will not be available
  8. Please be on time for your session:
    - a. Players attending RIM Park for their sessions will be met outside entrance D prior & will exit through entrance D once at the end of each session
    - b. Players attending Bechtel Park will be met outside at the loading dock & will exit through the lobby to the parking lot at the end of each session
  9. Re-entry or in/out privileges are not permitted
  10. Participants must remain in the designated rental space only (fieldhouse) & are not permitted to wander throughout the building (s)
  11. No participants shall spit, blow their nose freely or release any bodily fluid anywhere in the facility
  12. Participants are to follow all facility floor markings & signage
  13. Sports bags are permitted, each bag must maintain distance & may not be piled on top of one another
  14. Participants are encouraged to bring their own filled water bottles. There will be limited bottle refilling stations open should participants need to refill their bottles
  15. All groups must be adequately equipped with their own first aid supplies
  16. A team official must pick up all equipment prior to the end of your session
  17. All participants must vacate the facility within five (5) minutes from the end of the rental period
