Ongoing health checks and COVID-19 screenings have become the new normal for many sports organizations as a key safety measure suggested by local governments and health regulators. For Waterloo Minor Soccer Clubs 2020 Indoor Recreational Season, **ALL MEMBERS MUST** use the ‘Check-In’ Now app created by our service provider, **PowerUp Sports**. This feature will allow parents/guardians to easily use a screening tool that can be self-administered by participants prior to each group activity/session.

HOW TO DOWNLOAD THE ‘POWERUP CONNECT’ APP

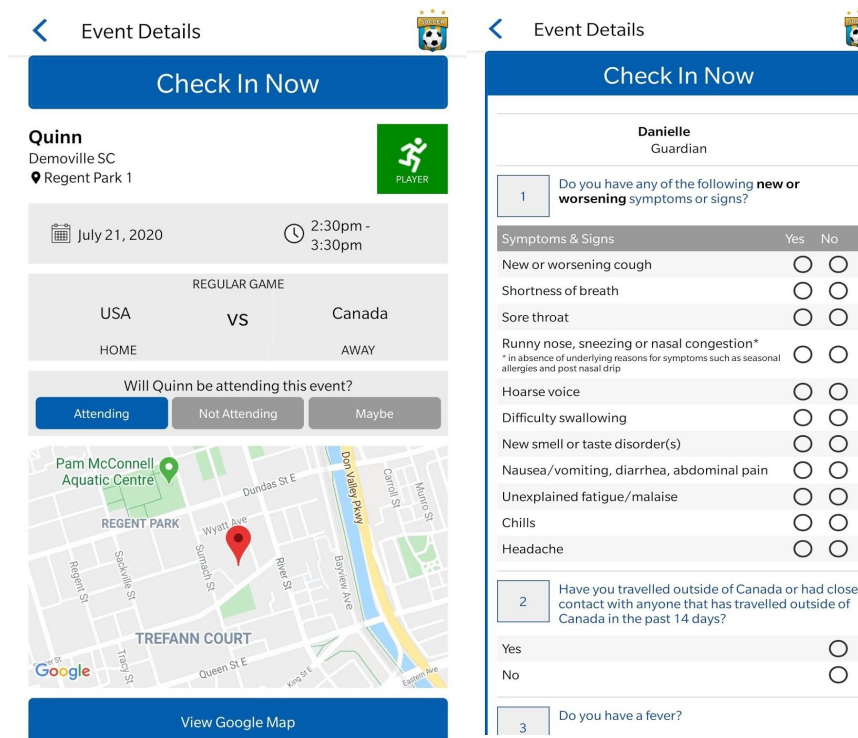

Members with smartphones that cannot run the available apps can still check on their schedules at the mobile version of the PowerUp Member Zone at <https://m.powerupsports.com>.

HOW TO COMPLETE CHECK-IN & ATTENDANCE

The Event Check-In tool allows registered guardians to complete a series of screening questions for in progress or upcoming events scheduled on that day in the system, allowing them to be captured in the Attendance Reports. Event Check-In is available on the PowerUp Connect mobile app, as well as on m.powerupsports.com.

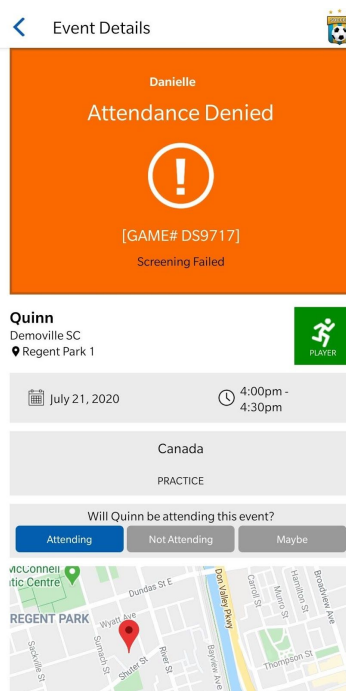

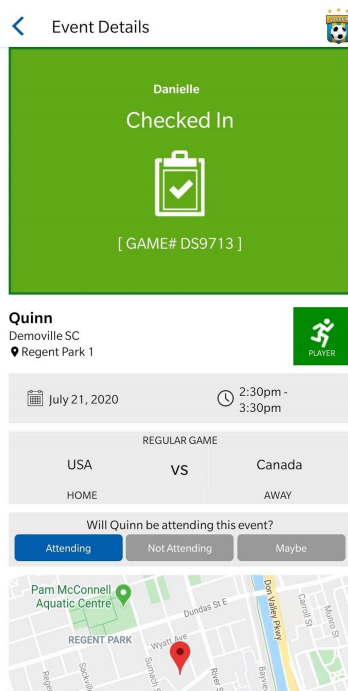

- When a member navigates to an event that day (in progress or upcoming) they are presented with a Check-In Now button
- Selecting the Check-In Now button brings up four questions for the guardian to complete for COVID-19 screening

- Once submitted, the member will be presented with a message indicating if they have checked in successfully, or if attendance is denied due to a failed screening. They can then show this to the designated club official (e.g. Field Marshall).

ADDITIONAL NOTES

- For further information and steps, please [click here](#)
- Players must be assigned to a team to use Event Check-In
- The ability to check-in disappears after the conclusion of the event

Waterloo Minor Soccer Club has been serving the community of Waterloo for 45 years. The club's mission is to mentor youth as they engage in an active lifestyle, learn life skills and values while they pursue their goals.
