Waterloo, Ontario: The Waterloo Minor Soccer Club (WMSC), which includes Waterloo United and BVB IA Waterloo, is excited to announce the hiring of Ryan McCord as the new General Manager. Additionally, WMSC is in the process of acquiring the assets of Xtra Time.

Ryan is local to Waterloo Region and has an extensive background in business and soccer. Ryan most recently co-founded and built Xtra Time, an individual soccer training and development center that is dedicated to building skill and confidence in young athletes, both on and off the field. At WMSC, Ryan's focus will be on enhancing the existing soccer club programming and integrating the programs that were previously available through Xtra Time.

Xtra Time, located at 564 Weber St. Unit #11 in Waterloo, Ontario, was founded in 2019. The programs offered are designed to foster player development and offer training in the area of fundamental soccer skill, speed & strength training, goalkeeper training, and high-performance technical training. The expected transaction closing date is August 1st, 2024.

WMSC President Michael Bournon shared his excitement: "The integration of Xtra Time and Ryan McCord as GM of WMSC provides a unique development and training opportunity for members of WMSC. This acquisition supports our journey to be the premier club for youth and athletes to play soccer in Waterloo Region."

Ryan McCord is excited to join Waterloo Minor Soccer Club and said "I'm very excited to join the WMSC team and work alongside people who are passionate about youth development and creating opportunities to play the game we love. I'm thrilled to continue the work our team has done with Xtra Time by integrating our programs, experience and technology into the WMSC organization to serve its youth and entire community. I can't wait to get started and work together to continue to build a bright future for the club and the beautiful game in Waterloo Region."
